

Michael "Mike" Williams

January 19, 1973 - July 4, 2024

Our sweet boy, Michael Williams, came into our lives on January 19, 1973, and passed away peacefully in the arms of our lord on the morning of July 4, 2024, after bravely fighting cancer. Michael loved people and made so many wonderful friends in his 51 years. He loved his years at Anderson High School from where he graduated. He never missed an Anderson Indian basketball game at the Wigwam and enjoyed going to all activities, especially his Junior Prom and reunion, but most of all, he loved the people. As he grew older, he loved going to AU and working with Doc Risinger, a very special man, and a very special family. We are so lucky to have them in our lives. Of course, he was a huge Colts fan, attending every Colts Camp here in Anderson. With the help of Chad and Clay, he was surprised with a video visit from his favorite player, Reggie Wayne, who brought a big smile to his sweet face and gave him autographed items we will cherish. As a young boy, Michael played baseball in Chesterfields Little League with amazing coaches. He was active in the Special Olympics along with his good friend Paul and enjoyed working at Boy Scout Summer Camp. His best friends from the neighborhood have been amazing and we will always be grateful for being there for him. We are so blessed knowing all of you and your families, and that our friendship continues to this day. Everywhere we went, even up to his last days, someone knew Mike. His nickname was "Will." Mike loved working at Greeks Pizza with the amazing staff, especially Clay, the "boss" and a very special human being. To this day, his friends from

the past and present are still his friends today. There are so many. We are so grateful for your support and love all these years and especially during these past few months. Tacos, Greek Pizza, Subway, and, of course, McDonald's, where he worked for years. And we can't forget the Pepsi. We also want to thank Hopewell for sending such wonderful people to help him when he was home. He loved you all and looked forward to the days you came. Our hearts are broken, but we are so proud of the young man Mike became. We miss him terribly. Michael loved his brother Shawn, who helped him with things he was unable to do. Shawn has a big heart, and we are grateful to him and love him unconditionally. They were brothers and friends. We could not get through these sad days without the help of our sweet family. Nancy and Fred. You have been our strength and our guidance. A special thanks to Northview Health Center and all the wonderful employees who took such great care of Michael. You all made his life better during his last few months.

“ I'm sorry to hear of Mike's passing...I knew him as "Mikey." He was always friendly and nice, really enjoyed watching and cheering for sports. He also had a "phrase" he would say to friends he knew. He'll be missed. RIP Mike.

“ Michael will forever be a part of our memories of neighborhood life in Meadow Woods. Michael “ Will” and Shawn were Meadow Woods fixtures from his early childhood until they moved in together at Cross Lakes. Michael always asked how Big John, Little John and especially Heather were doing. We are so very honored to have been a part of his life and we know he’s making new friends in heaven, just as he always did here on earth. Bless you Michael “Will”.

“ I Loved Mike and I enjoyed his presence. Mike was often with Doc Risinger and his Sports Medicine crew at Anderson University Raven Baseball games. I have not seen Will for some time and I missed him and thought of him often. ❤️ Doc Risinger is the kindest and most thoughtful person I know! ❤️

“ I worked with Will at Payless on Broadway in the early 90’s. He was a pleasure to work with and sure did keep us laughing! Always joking around and he would get distracted when a “pretty” girl would walk by! Thinking of his family during this difficult time.
