“ We are sending you a big loving "HUG" Aunt Bernice. We so loved Mike. We thoroughly enjoyed his sense of humor. We would laugh together until our sides hurt. Pray in Jesus name Aunt Bernice, the Holy Spirit will comfort you.

“ So sorry, Bernie! I shared 12 school years with Mike at Cadiz, and he was a dear friend. However, I have not communicated with him since except for last June when I sent him a letter about our classes upcoming 50 year reunion. I was looking forward to re-connecting. I am sure that he was a great teacher. He will be missed!

“ Mike was a loving and delightful friend. He was devoted to those he cared about and always gave out warmth and good humor. The world has lost a precious child of God and I will miss him.

Mike and I met years ago at Ball State in art classes. We had so much fun together. His sense of humor was like no other! :-) I was happy to be invited to his Mother's 100th birthday and even though we had communicated a bit over the years, we had not seen each other for maybe 35 years! However, our conversation and laughter that day was just like no time had gone by and that day the years just flew away. He still had that unique sense of humor and such a warm, caring heart. He will be missed.
