“ *It's with deepest condolences that I send this. As cousins go Mike was the best! Unfortunately through the years and careers we drifted apart. Playing with Mike and his sisters was one of my fonder childhood memories. I always enjoyed my times with Mike. He was a fun good guy. My prayers are with you all in this hour of loss. My apologizes for not being able to be with you at this time but I am having to deal with one of my health issues. Love Anita*
