“ For the Woschitz family...Please accept our deepest sympathy on Michael's death. He was such a busy boy, but as he passed our home, he always had time to look our way and when we were out working in our yard, he gave us a 'thumb's up'. We are so sorry for your loss.

“ We are so sorry to hear about your losing Michael. We know your pain and at times it seems like it will never end. It does get better with time. It's been almost 3 years since we lost Kevin and it is still difficult at times. Things happen for a reason even though we may never fully understand. Just know that he is at peace. “Michelle, Joe and family: I did not know this young man, but from everything read about him he must have been a fine upstanding and honorable son and brother. Michelle, you may not remember me, but we graduated from AHS together in 1976. I do remember Joe as a standout baseball player, and it sounds like your son followed in his dad's foot steps. Not to mention he looks like his dad! I am so sorry for your loss, but I am praying that God's comfort, peace and encouragement will surround you in the days and weeks and months to come. I will gladly make a contribution to Relay For Life in his honor. I will be praying for you all as your walk this difficult and painful journey. God bless you, Carol Watkins Diegel

“ Children are a blessing given to us by God; however, it is God that decides their destiny. As parents, we only provide the love and support that allows a child to take on life's challenges. It is with tremendous sadness that I send my deepest heart-felt sympathy to Joe and his family at this time of such great sorrow. Melanie Frank Lauck
