“ I just wanted to say we are very sorry for your loss. Michelle was with my family as my grandfathers hospice nurse and was also my father -in-laws. In the short time she was with us for my grandfather she became like another family member,even inviting my kids to to come over and ride horses. We could not of ask for a more caring and compassionate women to be by our side during my grandfathers passing. She heard every story about our family and still liked us. Lol. I can not be there to pay my respects but please know that heaven is getting a great wonderful women. Sincerely Chuck Everson. “ Joe and I were deeply saddened when we received the call of Michelle's passing. Our thoughts and prayers are with the family at this time. One of the best memories is our Friday nights with the Kings and the Vaccaro's with Totino's pizza doctored up with extra cheese, onion and sausage and then we were ready to set back and watch Dallas!

Your friends forever!

“ So sorry for your loss. Michelle was a wonderful person - inside and out. I know you will miss her greatly. Our thoughts and prayers are with you during this time. Michelle rescued and fostered our Abby that we received through the Madison County Humane Society. We had met her before when looking at her puppies but we just weren't ready yet because we had just lost a golden. When we adopted Abby she said she knew we were the right ones. When we lost Abby her words were so much comfort. May God give you peace and understanding through the days ahead. You lost a wonderful person.

Sending you sympathy, comfort, and prayers. Michelle cared for our father in the last stages of his life. She brought him so much comfort and and laughter at a time when it was needed most. We considered Michelle a friend and enjoyed her humorous stories. She loved her family and animals so much. Michele will be missed. My heart is sad. Michelle was and is an angel to us.
