“ I was Mickey's boss at the at the hy-vee gas station. I never considered myself a boss to him though. He was the coolest guy i've met it a long time, told it like it was. His nickname for people around here was "Wingnut" I chuckle everytime i think of it. I will miss him terribly as will everyone including his dog Klinger.

“ Mickey was my uncle. He would always tried to make me a part of his family, and he would let me do whatever his two boys did. I remember from an early age he put me on the dirt bikes. I also remember him giving me beer from the time I was 2. Then I remember him telling me everytime I would cry around him, he would say "I'll give you something to cry about". He would always rough me up and would pick on me. I'm gonna miss you Uncle Mick. I wish you were still here. I Love you and will always keep our memories close to my heart. Amber

“ Mickey was my brother in law, but most of all the "brother" part of it. He never met a stranger he didn't like and nor did he judge another.. he is probably the very first one of us that knew exactly what family truly meant.A loving husband & a great dad and great papa. If you knew Mickey than you knew his heart was always with his family.. You saw it and you felt it. Well cuz I miss ya & love ya..Come visit with us..; Debbe

“ I am really sorry to hear he has passed away. He was a wonderful man he will be greatly thought of. All the remanising we share is wonderful memories. I still thought of him and Laura as my sencond parents. They were there for me and they helped raise me. I may not have seen him for a few years but what I hear from Krista he was still the same old Mickey. His heart of gold thinking of everyone else before himself. The same kind of man I always hoped Krista and I would find. I send My sympathy to his family and friends. I will continue praying for all of the family and friends we all know and love.

“ Dear Keith, You know that our condolences go out to you and your family. It breaks our hearts that we can not be there to offer you comfort and support. We know that you have your family and friends there and we know that helps. If you need anything please let us know. It sort of surprises me that we knew your dad before we knew you. Getting to know you through Meredith shows the loving and nurturing nature that was instilled by your parents. Please express our heartfelt sorrow to your family. You are in our thoughts and prayers. I know Meredith wanted to share this verse with you\`For He, God, Himself has said, "I will not in any way fail you nor give you up nor leave you without support. I will not, I will not, I will not in any degree leave you helpless nor forsake nor let you down relax My hold on you! Assuredly not!" \` Hebrews 13:5 The Amplified Bible Marvin, Linda, Trey, & Marcus
