“ Mike's aunt and uncle lived next door to my Mom and Stan on Cherry Ave in long Beach California. My mom adored hi and he was like a little brother to me. They'd all play guitars and sing and we'd have big BBQs. I am so saddened to hear this. My heart goes out to to all the family! My name is Suzi, I have many I'll gladly share. Much love to y'all!

“ Dear Kellie, Cookie, and Casey, I was shocked and saddened by the news of Mike!!!!!! It sounds like he followed in his dad's foot-steps as to his interest in music and guns. I can remember when we use to go camping together--sit around the campfire and sing as your dad played his guitar. And oh my--your mom made the best vegetable soup I think I have ever eatten.. Do you know when the memorial service will be held?? Phil, my husband , and I will be going to FI soon for the winter. I hope I will beable to be their and see all of you. God will give you the strength to get thru this difficult time. My heart and prayer goes out to all of you.

“ A friendship tribute to my friend Mike Wicker. You were my 2nd son and my friend, but you were a friend to so many people. No one will know how many friends you had. Your one great love was your K9 kid Toby and of course your buddy Jackie Isom Granny who you always depended on. Then our mutual friends Dave Riffle and his and our love Corrine Collins. Then there is Bill Moore, your buddy. Then there is me. Our good times will live on in me till we meet again. Rest well buddy and save a spot for all of us. Thank you for you response Dave. I know my brother Mike thought highly of and spoke highly of you always. You were a good friend to him. I'm sorry his obituary was not to your liking. It wasn't to me or his sisters either. It was changed by the funeral home at the request of his girlfriend after my sisters and I written it and had already left the building. We were not asked or told about it being changed u til we read it in the news paper. Shame on loose feral home!!!

“ A true traditionalist & 100% perfectionist at any & all things. AFD & bluegrass music has lost a really true brother. I have lost a really true friend. I was very fortunate our paths crossed over 25 years ago--very lucky indeed. But, I'll always remember our last conversation. We talked about the appreciation of friends & the rest of the time was spent talking ALL about the music. We understood each other. I'll miss those times.

“ I was so sorry to hear of Mike's passing. I got to spend a few years with Mike and I never told him the impact he had on my life. To this day I have yet to meet someone that engages life as fully as Mike did. My condolences go out to all those close to him but especially Granny and sweet Toby. I know you're in peace in Heaven.

“ Many great memories of our time spent together. If there any consolation in this it is that I know Mike lived a life fuller and experienced more than most ever will, and did it on his own terms. I will always remember Mike's smile and big laugh.
