“ Karen, I'm very sorry to hear about your loss. I'm so grateful that I have a friend like you. You are a wonderful person. You are in my thoughts and prayers. My thoughts and prayers for your children are that they understand the meaning of family. Family is to be able to love, respect and forgive. I was at the awake and funeral both times I never witnessed them talk to you or show emotional affection toward you at the time you needed them most. I know that Karen's father and mother would like for your children to love you as they loved their grandparents. They would also want Karen to be able to be the grandparent mammaw that they got to be with their grandkids. Life is not always easy, but that is when family is important. Family is suppose to be there to help each other through the hard times. So I do hope for your family peace and the true meaning of family. Then my family has adopted her Karen into our family. Since I feel that her immediate family has abaended her in this time of need. Marcella marciandtim@yahoo.com

“ My Mother, Margaret Hollingsworth, was Mildred's only sister. I am very blessed to say that my Mom stayed and took care of Mildred over the past three years at Mildred's request. The two of them got to know each other again after a lifetime of seperation. My Mother's last words to her sister Mildred were I LOVE YOU. Karen, we are heartbroken for your loss as well. May God bless you with His peace as He only can do. In the love of Christ.
