“ My sincere condolences to the Chaille family. I have fond memories of John and Mildred having grown up on Tower Rd across the street. And lots of great memories of all the Chaille "youngsters" since I was there as much as at home. Even later Jim and I had the unforgettable Ft. Benning experience in common. I am glad that during Sylvia and my last trip to Anderson in 2009 we were able to visit with Mildred. Best regards to all of the Chaille family; I'm sorry to not be able to see all of you together once again.

“ Pat, I so fondly remember how kind and welcoming your mother was to me during my visits to your home when you and I were growing up together. She had that gift of making everyone feel very special. You will have much to celebrate about her life. My thoughts are with you and your family during this time.

“ What a wonderful mother, grandmother and great-grandmother!! never met Mildred but only knew her through Tom & Penny, my very best friends in Sun City, AZ. They spoke so highly of her and dearly loved her. I wish the family the best at this sorrowful time.
