“ To Mildred's family. I did not know Mildred personally but I am reading about her early life in Ohio which was quite tragic for some of her immediate family. Her father, Charles Otto Geller is buried at Sheep Pen Cemetery in Highland County, Ohio where many of my ancestors are buried. I am pleased to learn how life went on for Mildred and that it was a long one for her. May she rest in eternal peace.

“ To the Lightfoot family, I was so sorry to hear of your mother's passing. I worked for her in the nurse's office during my senior year at MHHS. She was such a caring person, but always aware if someone was trying to skip class! My mother, Kathleen Herron, was so fond of Mildred. She cherished her relationship with her at work, and, more importantly, her friendship. I will always have good memories of her. She truly was a lady! Bonnie Herron Sparks

“ Jeanie - I remember when we were wild hooligans playing around out at "the cabin". Loved your mom then and later when she was at MHHS. Sending up a prayer for you, Molly, Betty, and your families. She was a special lady. Linda

“ Dear Molly, Jean, and little Betty are you still little? Can it be that we are at this stage of our lives already? I am sorry for you to loose your mom. Like my mother she lacked one month being 96 when she decided she was ready to go and she went!, she lived a long life. As I sit here, many of the fun memories of our childhoods are coming to mind. Your mom was able to stop some of our antics! But she was always very supportive! Remember cheer leading and Mrs. Sloan and her disapproval of our outfits? And remember Betty as our "mascot"? Charlene Texas, Carole Allen Indianapolis, Rieta Ehman Anderson and who let me know of your mom's passing have gotten together these past 4-5 years and have a wonderful time "remembering" and you gals are in our pictures so we always wonder how you are and what you are doing. I hope life has treated you well. I retired 6 years ago from my paying job and now have volunteer jobs for Christ and my church. I have been single 19 years and loving life now. Have three children and three grandchildren and two step-grandchildren. Life is great...7/8 of the time! Would love to hear from you if you have the time! Shirley Hans

“ Mildred was a remarkable woman whose kindness, caring, and wisdom touched everyone who knew her. Every visit with Mildred left us wishing we had more time to spend with her, whether listening to her wonderful stories or just chatting about her day. We will miss her dearly. Our sincere condolences to Molly, Jean, and Betty. Your Mother may be gone in a physical sense, but her love, her spirit, and her memories will be with you forever.
