“ I grew up next to Mildred and Ernie and knew Pat and the grandsons and we would play together when the boys would visit their grandparents. We did not see them often. I had not seen Mildred since my wedding in 1996 and only got a glance of her then. I have wonderful memories of visiting her at the house and talking and when I got saved, talking about the Lord and enjoying the fellowship. It is a great joy to know she is with her Savior. I was unable to get to the funeral because of finding out about it so late, but would love to hear from the boys and to reconnect. I thank God for Mildred and her perseverance, patience, love for Christ and example she was to me and my family. Gary Meeks
