“ Dear Leon & Carole, We have known your mother for several years. We first met her at Countryside when we were visiting her roommate Glee Kelly. Upon visiting, we found out that Mildred had worked at Mathew's Market. I Mike also worked for them for a while so we had a lot to talk about. We also talked about the country stars at the Grand Ole Opry. We met you a couple of years ago at the Christmas party. We have not been out to visit for a while as I Mike have been recovering from a knee replacement surgery. We are saddened for your loss and we will miss our visits and phone calls with your mother. What a special lady! May God comfort you. Blessings, Mike & Connie Tincher

“ I got to know Mildred while visiting my mother and father at Countryside in 2001 until now. She was such a wonderful lady and even after my parents died I would visit Mildred. She was such a beautiful person inside and out. My prayers will be with the family. She was very proud of her family and talked of them often. She use to always tickel me as I would always take her some type of candy or snack and she would always put it with her stash as she seem to always have extra food. She was a sweetheart. Pat Barth
