“ We found good friends, Susie and Milt after buying a condo here. The weekly golf group at River Run gave us the opportunity to know them even better. Milt also showed up in shorts regardless of the weather and always kidded Jody about her layers of clothes. Playing games and sharing food around their pool was always a fun time, especially on New Years Eve. Milt's loving care from the family was always present.

“ We were truly blessed for several years to have Milt and Susie as across the street neighbors! They were there with a plate of cookies and a warm welcome when we first arrived to the neighborhood. They were always looking out for us reminding us to close a hatchback or a door when a downpour or letting know late in the evening that our garage was collecting raccoons. ;) Susie with blunt, happy sassy, poignant, sage advice. Milt with good stories, a great sense of humor as well and a wonderfully warm “ See Yah! at our partings. We miss them both dearly. Ronnie, Denny and Family, what a tough time Milt and y'all must have had recently. I am so glad he is finally at peace. I believe he has passed through those PearlyGates with a final “ See Yah to us all here below and is happily reunited with Susie and his Heavenly Family. It was our great pleasure to have Susie and Milt as neighbors and friends. They sure were awesome folk!

“ Met Milton almost 6 years ago. We had just closed on our house across the street in Coral Shores. He was good friends with Bud who owned our house. His daughter came over after closing and knocked on our door. She said I forgot to give you the garage door opener. She said you need to meet Buds good friend Milton. So we went across the street and met Milton and Suzie. Amazing couple that had a passion for life. We wound up buying Buds pontoon and sat on their lift for over 3 years. We then fixed it up. Family was so cool especially Suzie playing that piano. I guess I became Bud light. Got to know the sons over the years and they had Milton's personality basically class acts. Glad Milton and Suzie crossed our lives. Rest in peace my friend

“ Milton & Susie Mills were the drawing force for many of us Anderson, In. folks to come to Bradenton, Fl. Milton was our golfing buddy for years. He taught me how to find golf balls in Florida (the worst addition I have)). The biggest memory that Peg and I have is the "forever smile" on his face -- always there. May God blesss you Milton, and say hi to Susie for us.

“ We met 24 years ago. He was a neighbor and became one of my good friends who invited me to join his golfing friends. One of the best people I've ever met. I was lucky enough to be with him for his 7th "hole in one.
Milt, tell Susie HAPPY BIRTHDAY! For us all!

“ *We all know and remember how much Milton loved to play golf and also hunt for golf balls. Remember like yesterday going down to their house for the daily sitting out by the fire pit and catching up with our daily lives. Susie was just having a fit because she went to the garage where the washing machine was and discovered after Milton had gotten home for a day at the golf course, decided to throw his proud collection of golf balls needed to be cleaned up and he thought it was a great idea to put them in the washer and run them through a cycle. Well, needless to say Susie was not happy about that little idea at all.*

That was just one memory and needless to say there were so many other ones.

I loved these two people like family. They always treated me like a member of theirs. I will truly miss them both.

God bless the family at this very difficult time. We love you guys and all thoughts and prayers go out to you at this time.

Love,

Donna Hardin

“ To Denny, Ron, and all the family.

I think you know how much the Mills family has meant to the Parker family. Milton was a wonderful man. Susie will never be forgotten. Steve remains in our best memories. We shared many fun back yard visits and activities. We grieve with you. Love, Mary Jo, Joe, Alan.
