“ Grandma, you are the most amazing woman I have ever known. You are my inspiration and my hero. I love you more than words could ever express and I already miss you so much. I am the person I am today because of you and I hope to be at least half the woman you were. Your mansion is now complete and you have earned your wings. Fly over me often to keep me on the path that will someday lead me to you. I will be living for the day I get to see you again. Until then, say hello to Grandpa and aunt Sandy for me. I know they were so excited to see you come home. I love you Grandma!

“ I love you Grandma. I will always cherish the memories we had together, the smiles and laughs. Nothing could ever replace those in my heart. You never gave up on me no matter what I did. And had faith that I would always succeed. Watch over and help me to keep going and someday be even the slightest of the amazing woman that you were. You will always be Grandmother Willow to me, for how strong you were and everything you experienced and saw in your life, you held your ground through whatever life threw upon you just like a Willow Tree. Tell Grandpa and aunt Sandy that I love them and that I'll see you all again someday. I love you so much Grammy. I'll always keep you close in my heart and in my thoughts.
