“ I'm very sad that Mitch is gone, but I'm very grateful to have had him as a friend and "wingman." Lol

*We were buddies in high school, but didn't start hanging out a lot until '06 with he and Richie for beer and wings every Sunday for the Colts. I still say that's why we won the Super Bowl that year!*

*Within the last year or two, we'd stop at Kroakerhead's. Some weekends we start there and usually end up at Waffle House. In between.....it was wherever the ol' Cadillac took us!*

*We always had a great time, and we would always be looking for "new friends."*

*He was always devoted to his extended family and friends, and served as a fine example of what a good man is all about.*

*I'm gonna miss my wingman.....*
