“ Aunt Monica just wanted to let you know that I love you. We were so close growing up and did so many fun and crazy things. Stuff we would kick our kids butts for if they even tried it or talked about it. Its funny how life is and what paths we choose to take. I know you are at peace now no more demons and sickness to fight! I will miss you...Love to you and your Kids and Grandkids!!!

“ That Monica was a riot, so many vivid laughs and memories of a woman who was a wild one yet created some great times in my teenage years. I will miss her so much and thankful for her son, Maurice, as we have become so close. You will be missed, we will see each other again someday! I love you!
