“ Maurita, sorry to learn of the passing of Morris. He was my first friend when we moved to Cicero in 1947. He was such a good friend he would let me ride his little pony, Tony. May he R.I.P.

“ Uncle Morris I will always remember your smile and humor!! When Todd and I were dating long distance it seems he could never make a "Huse" reunion so you were convinced and teased me that he was my "imaginary" boyfriend ...sigh...I also chuckle looking at this photo of your bald head and remembering how hilarious I thought it was to "shock" your head via static electricity and you would laugh and laugh. so wish I/we could be there to say goodbye! Love you (and Aunt Maurita) so very very much, you will be deeply missed!!
Love
