“ Mourice will always be on my mind. I may not have known him like everyone else. I knew him to be a man of his word. I knew him as a parent who raised two awesome children, something that is hard to find nowadays. He had many stories to tell of his service time. His home was a fun filled place with rules that you knew you better abide by even if you were 25 yr old. I will always cherish these memories. I always referred to him as Pop.
