Myrna and I (along with our mutual friend, Linda Dearing Kolenda) became pen pals (way before the Internet) when we were 14 and 16 yrs old until the day she left us. We met once in person when Linda coaxed Myrna to fly with her to Seattle, WA (Where I lived at the time, but I was a California Girl). The 3 of us never lost touch. We were friends for Life. Myrna is forever in my heart, and I miss my BFF in Anderson, Indiana. I'm back in California, until we meet again. I LOVE YOU, MYRNA!
