“ Vickie, We read about Laverne?s passing and we are so sorry for your loss. We imagine that his place in your home, your daily routines, and--of course, your heart--will long seem empty. We will always remember you and Verne driving in the green golf cart at the lake and always being so generous with your wonderful compliments about our trailer ? even when Verne wanted to lick the trailer because it looked like a candy bar 26A Brown and Tan. Please accept our deep sympathy. We will be thinking of you in your sorrow. Robert and Cyndee Gutierrez
