“ Nancy always seemed to enjoy being in KY with her in-laws. I always tried to visit while your family was in town.

“ The last night she was here, on January 20, 2014 we watched the Wynn special from Garth Brooks. She had been cold, miserable, for months but for two hours she laughed, she sang along, and was happy and I'm so happy that will always be my lasting memory until I'm gone!

Such a sweet memory Kelly. Your mom and dad loved all of their children. I'm happy I got to know them after I married your uncle Bobby. Nancy was a jolly person.
