“*Mrs. Hatton was my 5th grade teacher at Tenth Street Elementary School. She told us about her lovely dogs, I'm sure they will miss her as much as all her family and friends. I'm convinced that she is making everyone smile in Heaven like she did here on earth. God must of had some important work for her to do.*

“*Dear Cliff: GOD IS LOVE "Hear, Oh Israel ! : The Lord our God Is One Lord" and His Spirit is our Comforter. A PASSING, AND A DREAM....SWEET MEMORY. But "Nothing shall separate us from the Love of God through Jesus Christ our Lord." Life well-spent ends not too soon or too late. Every life and love that from us departs leaves its love, its challenge -- sweet marks that not even by tears and time can be erased. Life is, "...but a sleep and a forgetting: the Soul that rises with us, our life's Star, hath had elsewhere its setting, and cometh and goeth afar: not in entire forgetfulness, and not in utter nakedness, but trailing clouds of glory do we come and return; it is God, Who is our eternal home:" Man has this in common: both Love and Grief are forever. One before, one ever-after. And we mourn together, and not as those hopeless, for We Have A Hope Within Our Souls...Brighter! Our hearts are with yours, Dear Cliff, at this time of parting. “ *You will be sadly missed by all. My daughter was in Nancys class in 5th grade 08-09 and Nancy was the only teacher so far that really cared about the kids education. Our hearts go out to the family.*
