“ *I'll miss the get togethers over the years. You and I having chicken salad lunches with ice tea and having our special shopping trips for an afternoon. Just a phone call from you or me catching you not busy and having a gab session far longer then Dale understood. We always tried to be there for one another, You said I always made you laugh, so did you for me.. We may not have been born Sisters, but God knew we were from the very start. It won't be the same without you, girl, but our Lord needed you with him. Until we meet again, I love you! Your friends& family, Dolores & Dale*
