“ My deepest condolences to Nancy's family on her passing. I have many fond memories of her over the years, starting with playing softball games in the backyard of my grandma's (Charlotte) house while her dad (Clarence) was always pitching; to the family reunions and celebrations and then Nancy's support and comfort during my own mother's (Pat) illness and passing. She had a genuine smile and she was such a lovely person. My thoughts and prayers are with all of you.
