“ My condolences are extended to the family. I just learned from Lori Keith of Nancy's passing. Nancy hired me just as I finished college in December 1974. I always appreciated her kindness and thoroughly enjoyed her personality while I worked as an orderly at Community Hospital.

“ Kirk, I am so sorry to hear about the loss of your mother. I didn't know your Mom, but it is clear based on the words and emotions used by my co-workers at Community that she was a wonderful woman with a beautiful spirit. It was obvious how everyone felt about her when they notified us of her death and referred to her as "our Nancy". Please know you are in my prayers.
