“ Ken Ritchie and Family, We were sorry to learn of the loss of your mother, Nadine. At 85 I'm sure that she had a long and happy life, but it is still sad to lose a parent. We are praying for you during your time of grief.

“ My family knew the Ritchies when I was young. My whole family, Jane, Steve, and myself send our condolences to Kenny and Alan. It has been so many years since we have spoken. Nadean and Kenny, Sr. were wonderful, down-home people. They were the kind of people who mattered. The world is less without them. Rebecca Schell Troke

“ *To the Ritchie Family: Granny was a wonderful woman, who became a grandmother to me as well. I will miss the long talks that we had together with her giving me advice, but not as much as I will miss her laughter and cooking. As you grieve for her, also remember the good times and that she is now right where she wanted to be: with Pappy. I love you all, and wish you peace in your time of sorrow. If you need anything at all, please let me know!*
