“ *The world has lost some sparkle, and is a little less gentle since the passing of your Mother and Grandmother. She was a special lady who gave so much to those she loved. We have so many good memories of Neoma and Horace.*

“ *Bob, Sorry to hear of the passing of your mother. I have many fond memories of your parents and the good times our families had together in years past. Your parents were among my favorite people that I have had the privilege of knowing.*
