“ I spoke to Nichole, i knew her by Nikki quite a few times at work on breaks, and I loved her attitude and personality. She just really came acrossed as a straight forward , and a truly genuine person. I am so very sorry for the loss her family is experiencing, This world has lost a great person, but Heaven has gained an awesome person into their midst.

“ She could be serious at times. Most of the time she was happy-go-lucky. Whenever family got together and I saw her, she threw her arms out ready to give a hug. She was just plain blunt. You either liked her, or not, and she didn't care. Many times she went to work sick, with pain with all her health ailments. Such a generous heart. I love her and will miss all those hugs.

“ My cousin Nicole was one of the most unapologetically authentic real people that I've ever met. She was kind funny generous sarcastic curse like a sailor. She loved hard. We had a conversation at this year's Christmas party which is so typical Nicole. She ended it by saying you know me I don't let life get me down I kick life in its ass. You my cousin were loved by many and will be dearly miss but I know are welcomes with joy to the pearly gates of heaven by the many that were before

“ I remember her as a newborn baby a young lady growing up. I will miss her when I am able to come home for visit with family, but know she is free of pain and enjoying her life on heaven with her mom and grandparents.
