“ Dearest Nikki, You were such a good friend to me and I truly appreciated the friendship that we had, but 2 years was much too short of time. I only wish I could have been there for you sweet Nikki, as you were there for me in October, 2003, when Owen passed away. You offered such sweet condolences to me at my time of such a tragic loss. I never dreamed in my worst nightmares that you would be gone so soon and my last memories of you would come back to me for the tragic loss of you. My heart has been sobbing and hurting for you and your family since I heard of the horrible news. I hope your children are doing well and I hope your parents, brothers, grandparents, your husband and the rest of your family are able to find some peace within and know that you will always be their "Guardian Angel". I am more than willing to help your family in any way possible. Please know that I will always remember you and cherish the fun times that we shared together. Love Always, Angie 317358-1585 My # is listed in case your family would like to contact me.

“ Nikki, I will never forget the laughy and fun conversations we had,nor will I forget you coming over on your lunch break and not wanting to go back to work, we ate Arby\'s and you refused to let me buy! I will treasure our memories,secrets and how welcome the girls felt with you,I talk and you don\'t verbally respond,although, if I loose something and ask you to help me find it, you do,so I know your spirit will never die,I just wish I could hear you and see your blue eyes,thanks for being you I will treasure the memories forvever!!
