“ Niki was my Aunt. She was such a wonderful person. She had a heart of gold and whenever she was in a room, the room lit up. She could make you laugh and smile so easily. My Aunt Niki was such a wonderful person for so many reasons that I couldn't fit them all on her. We miss her so much and we appreciate the love and support from everyone. She loved her son, Christian, so much. She will live on in our memories and our hearts. I love you Aunt Niki.

“ I am Niki's older sister. I am totally devastated by her death. I am having such a hard time with her passing, I talked to her the night before and she was fine. We had so many good memories. She was and always will be my baby sister. No one can truly understand the sadness of losing a sibling until you yourself have lost one. I was in the room when Niki gave birth to Christian. I shared a lot of wonderful memories with her. I know she's with our Mother. I will keep Niki's memory alive through Christian. My heart aches for him as well because he doesn't fully understand the situation. I will always love you and miss you little sister. Love your big sister, Wendy.

“ My deepest and most sincere condolences to the family of Niki. May the Lord give you all comfort in the days to come. All my love to young Christian, Wendy, Cotton, Justin, Ashley and Ian. I cannot even fathom how hard the sudden loss of one so young has hit you, but I pray Niki rests in the arms of the angels and that God will extend his compassion to you all.
