“ Dear Mom Marva I know this is not easy time for you but I just want you to know I will always remember Grandma Nina and the fun we had at Halloween her dressing up and scaring us kids and at Easter coloring all of those eggs, making tacos and having to dice those tomatoes up "Oh so small" and all of those Scrabble games. Just want you to know that I am thinking of you.

“ In memory of a beloved friend, Nina. Jack and I knew Nina by visiting Jack's mom Ethel Neeley. I would take her puzzles and visit with her. She was special to us. I will always miss her and the stories she told me. She was a very interesting sweet person, that so many people did not take the time to know. God bless her and her daughter. We will miss her in the lobby when we come home. She, for me was like visiting family. so long Nina see you in Heaven.
