“ *Nolan also known as "square" he was always in a good mood and wanting to hangout. I will always remember sneaking on his bus when he went to Franklin Central and rode his bus home so we could hangout after school. And even when he went to pendleton he would always look forward to the weekends and coming down to Indy to hangout. He was always such a great friend and someone I could always talk to anything about. I know he is watching over all his family and friends. He will be truly missed.*

“ Nolan always had a smile on his face. He loved his name square and always loved spending time with his friends. I remember when me and zach got into the crash I hung out with him everyday and he was the reason why I was able to deal with the crash. He always knew what was wrong and what was right ill never forget his passion and heart. I couldn't ask for a better friend in square and he will be truly missed.

“ My son Tim and Nolan were close friends. Tim is very hurt by the passing of his friend. Nolan has been over to our house multiple times. He was a very polite & mannerable young man. He will be missed heavily. My prayers are with his family always.
