“ *Noreen and I worked together at St. John's in Surgery in the late 70"s. I remember her twinkling blue eyes, her wonderous smile and sense of humor. She was very kind and gracious to everyone .. but also let you know where she stood. She could stand up against those demanding surgeons and was one of the most efficient OR Nurses I knew. She was known for her pranks and you never knew what was behind those twinkling eyes. Although we lost touch through the years, her friendship was one I treasured. She will be deeply missed. She touched so many lives through Nursing and her Faith. I can see Noreen and Homer having a joyous celebration together in Heaven. Blessings and prayers to her family and friends...heaven received a new angel. Kathy Halleck*
