“ Aunt Noreida was a beautiful soul, always kind and generous. I spend many wonderful times with her and my Uncle Jack before they had children of their own. She was always kind and giving , especially of her time. We had many family get togethers. I still and always will have our memories of time spent together.

“ I grew up in the neighborhood and often came over to play with Denise as a child. I loved coming over as Noreida always gave us candy and snacks. I remember her being very motherly, caring and quick-witted. She was always helping out with band activities and uniforms, etc. Prayers to you Denise and your family. Noreida was a beautiful soul! She was made to be a MOM and that's how she lived, nurturing those around her. ❤️🙏
