“ Ted and all your children and family. Wish I lived close enough to come share in the celebration of Norma's life. She was always so precious to me. When I would be going through a tough time, and she would ask "How are you doing", Norma would never take an answer of "I'm fine." She had such a loving concern and loved others to the core. She will always remain a treasure in my circle of friends. Praying for you all.
