“ Aunt norma, I love you! You were not only a sister-in law to my mother but you were her friend, you were always there for us as she was for you. For the longest time your home was my home away from home, I grew up with your children and always felt welcome. I have held to your kindness. The love you showed me, was just another little peice of my life that has made me who i am today. I will cherish you always. you will live forever in my heart.
