“ *Im so sorry to hear of your loss. Norma was always so sweet when I talked to her while I was working. She always had such a wonderful attitude no matter how she was feeling. I hope that the many wonderful laughs you had with Norma will ease your pain in time. I used to tell Norma, "the bible says that soon we want have to deal with pain and suffering" She will be missed.*

“ *To Jeans's Family - Jean and I were great friends for many years - we first became acquainted by taking lessons from the same piano teacher. After high school, I moved away, but we communicated at least once a year. I was so sorry to hear of her passing. I extend my most sincere condolences to all her family.*
