“ I love you Aunt Norma. I will always miss you and you will be in my heart forever. We have had so much fun through the years. My dad Lester Breese and Uncle Dick loved you very much. So if you see them up there give them both a great big hug for me. I think about many of the good times we had together. You always laughed about how I called pumpkin pie, "poopy pie :)" when I asked for it. I gave you that rose and it said I loved you on the inside of the rose , and in my heart I meant it so much too. It hurts my heart. I dreaded this day so much. You are a beautiful Aunt and you always will be close to my heart forever. I tried to call and talk as much as possible, and we know it is never ever enough. The beautiful afgan blankets you made me will be a family heirloom always. Rest in heaven with Jesus. Love and Light Always. Patty Ann. Always Hugs.
