“ Hello - John and I live in the condo directly behind your property. We just recently met Mr. Leever "over the fence" and I was so shocked and sad to read about his passing in the paper. From the short visits we had , Norman seemed to be a very loving, friendly person who cherished his family. Please know we are thinking of you today and that we will miss seeing him working in your yard and talking to him over the fence. Sincerely, Marta May
