“ *My Deepest Sympathy to Novella's entire family, She was such a nice person who truly cared about her family. She was always smiling and upbeat. Christi and Novella had walked together for years here in our subdivision. She was full of life and her infectious attitude just made you feel great. The most admirable quality was the relationship she had with Christi and her family. My heart and prayers are with all of you. Not only did you lose a mother, grandmother, friend and etc. but a truly wonderful person taken to Heaven way too soon. May God Bless and Be With All of You. Sue Parker*

“ Novella, I will truly remember your smile, the laughter, and the great friendship we shared. You are without a doubt one of the most genuinely loving and God fearing persons that God has blessed me with having the good fortune of meeting. You were there for me in my own time of lost and your words and presence helped stand me up. I will forever cherish the Gift of the Porcelain Guardian Angel that you gave me. I will miss you Novella, and I will always have love in my heart for you but I realize that God loves you more and it was time for his angel to return home. Novella I do have comfort in knowing that you rest peacefully in God's loving Kingdom. Your friend forever, Rick.
