“ I was sorry to hear of your Mother's passing. I have good memories of her and your Dad when I was a college student. Bill, you would take us there for the day, and I always enjoyed that. She would always feed us and I also enjoyed all the kids! When my first child, Teresa, was born she crocheted her a little red dress. I still have a picture of her wearing it!

“ Everyone has their time But why did yours have to come so soon? There are so many people in the world So why did God have to pick you? They say things like this make you stronger But how can that be? I feel so weak inside It all feels like a dream I didn't get to see you You passed away too soon But I feel you watching over me And someday I'll see you again Forever in our hearts grandma we Will MISS YOU

“ Melissa-I am so sorry for the loss of your grandma. Although I never had the chance to meet her, I have faith she was as wonderful as your mom Grace and yourself. Traits that will carry on thru your own children and grandchildren as well. May the lord comfort you and the family in your time of need. Love You!
