“ Olivia's laugh was infectious. She was one of the most loving and kindest person I ever knew. Such a good friend, she is sorely missed.

“ I want to share my condolences to Olivia's family. She was a very kind neighbor. We enjoyed talking about both moving from California and how did we end up in Indiana as neighbors?! She brought us delicious baked bread the first Christmas after they moved in next door. God bless her soul.

“ Olivia was a sweet person and neighbor. She always had a kind word to share whenever we were in passing outside. Her two little pups always barked at my two pups which made us laughed. Thinking and praying for all of her family. Rest in peace Olivia. Praying for all of her family 🙏
