“ *Ollie's Sweet Memories*

She was an awesome cook/baker.

Growing up I remember sitting at the kitchen bar watching Ollie spray the Pam on the pan before she made the pancakes.

Whatever she prepared it was good and hot. I remember prayers before mealtime with the family. Aunt Ollie gave her time/talent of hosting when asked by loved ones to host family reunions.

Ollie blessed me many times when I was invited to vacation in Florida as a youth.

I could open up to Ollie and feel confident that it wouldn't go further. She was a Christian role model with service to others whether it was working in the church preschool, greeter, funeral dinners, volunteering for dove harbor taking young mothers to their doctor appointments, cleaning the church kitchen and who knows what else. She believed in putting her Christianity to action by helping. Ollie watched my children when they were sick and I needed to go to work.

They got spoiled with her pampering!

I remember what a great sister Ollie was to my mom Pat. They called each other everyday for many years. They loved to talk about their grandchildren bringing them much joy.

Ollie left a legacy of love that I can hold on to until we meet again in our heavenly Fathers home.

May God keep the family/loved ones of Ollie keeping them strengthened as they continue to be a blessing to others here on earth.

Forever in my Heart,

Kathy
