“ To the Family of "Bud" Taylor"; I had the pleasure of knowing him through work at Krogers J906 for many years. Although I worked in another Dept., I can still remember seeing him waiting on customers, putting up the deliveries, and restocking the meat shelves. He clearly enjoyed people and would always ask "How you were doing?" I will miss our chats in the breakroom. On behalf of the Johns Family, I would like to extend our sincere condolences for your loss. He will be greatly missed. Regards- Stacey Johns
