“ I am employed on a PRN basis in the Activity Dept. for Bethany Pointe Health Campus and therefore did not see Orval every day or every week. Our last meeting was about 10 days ago and I enjoyed sitting talking with him about his married life, church life, and his family and friends. He appreciated the lotion applied to his already soft hands and thanked me several times. He was a sweet man that I will miss tomorrow when I report to work. My sympathy to his family and friends that loved him. Pam Gouker Bethany Pointe Health Campus
