“ Aunt P will be sorely missed! Her laugh, her hugs and kisses, and her way of being brutally honest but still letting you know she loves and cares for you! I know how it feels to lose your mother and the pain is great...but know that she is up there looking down on you seeing you through everything! I find solace in knowing she is one of God's angels and keeping watch on us all! The kids and I are thinking and praying for you all! With love and deepest sympathies, Dinah, Austin and Anna
