“Patty was my biological sister, We both got put in a foster home when we was just babies. I have been trying to find her since I was old enough to. Just last month me and Patty's birth mother found me and she was still looking for Patty though. I have tried everything to find my baby sister. But I guess I was to late. I am so sad and depressed right now....I just reseved a phone call from our birth mother...She found Patty but it was to late. I love you Patty and always will. Love, your big sis Andrea

“Rachael and Ron and Family, Tricia was a very lucky gal to have you for her family. I'm very sure there were many Angels with her as she entered Heaven's Gate. I'm positive that our ^Sarah^, along with her sisters and many of our 'Hydrane Angels' were among them. I shall be keeping your family in my Heart and in my Prayers for a long time. Your Angels will be looking down on all of you. God Be with you, Gram Lynn Hydranangels Group, Int'l Hydrane Support Group Regular Hydrane Group

“ Rachael and family, I am saddened to hear of the death of Tricia. She was blessed to have been a part of your family. I know that God will hold her gently in his arms until you arrive... unless she is out playing and laughing like a child set free with the Hydran angels...
