“ Patty was one of my cousins. When I was growing up my sister and I spent many fun times visiting her and her family in Elwood. We always had a great time. I find myself reliving a lot of those wonderful memories with my own grandchildren today. My thoughts and prayers go out to her family and friends at this time. She will be greatly missed by everyone who knew her.

“ We wish to convey our condolences to the family of Pat Maish. We have been neighbors for a long time. Years ago, Pat called the ambulance for my daughter, who fell and broke her arm after getting off the school bus. Pat also called my place of work to tell me what happened. Pat was a good woman. Her kindness will not be forgotten. Sincerely, Frank, Nina and Family

“ Pat will be greatly missed by the entire family. We have spent many hours together catching up on the family at her favorite spot, Olive Garden. I miss her already and feel such a loss. She was so good at keeping everyone connected. Even before I had my own children, we visited them most Friday nights to relax and have fun--wow that was years ago. I plan on seeing you when I get there--you just went ahead of me. Love, Barbara Walker Brewer

“ Pat was a great lady during her time at Shadyside. I was on one of her board of directors while she was there. She balanced out her time and energy doing things that no one else wanted to do. Wish there were more like her. Prayers to the Family and Friends.

“ Pat was an exceptional lady! I will miss her laughter, her smiles and the dinners that we shared with my family and Lisa for many years. I don't know what we would have ever done without her help when my mother become so ill in 2005-2006. SHE WAS OUR ROCK!
