“ *To John, Jim&Kathy, Angela, Isaiah, Beverly, grandchildren & great-grandchildren: our deepest sympathies are with you all. What can I say about Pat? Energetic, vibrant, determined, stubborn, strong, sensitive, confident....the list goes on and on. The world has lost a very special person, but Heaven has gained a very special soul! I believe that we should always pray for our beloved dead, and I will continue to pray for this remarkable woman whom you were privileged to call wife, mother, grandmother, and I was privileged to call her "friend." May she rest eternally. Until we see her again....*
