“ *My mom was one of the most loving people that I know and always put others before her self. She took care of me throughout my life. She was my rock. The best memory that comes to mind first is the day I brought home my little RubyLove (dog). I called her up and asked where she was. Met up with her and handed her a tiny puppy in a red blanket. She fell in love instantly. My mom cherished the kisses and tail wags RubyLove would give her. My mom was the first besides myself to see and hold her. I miss my mom everyday and will for the rest of my life. I'm just happy she isn't suffering anymore and I know she will always be watching over me. I love you mom.*

I know my mother in heaven welcomed Patti with open arms. She loved Patti dearly, as she did all her nieces and nephews. Our thoughts and prayers are with you.
